A large, vibrant collage titled "ICHA HALLOWEEN DANCE PARTY" in bold, stylized red and yellow lettering. The collage is composed of numerous small photographs of people at a Halloween dance party. The photos show individuals in various costumes, including skeletons, pirates, clowns, and people in everyday clothing. Some people are dancing, while others are posing for the camera. The background of the collage is a mix of colors and patterns, creating a festive and energetic atmosphere. The overall theme is Halloween celebration and community fun.

IMPORTANT DATES to Remember in 2020

The ICHA would like to thank our sponsors who helped make this calendar a success.

We encourage all of our members and supporters to visit them and show your appreciation.

WHO WE ARE

The Italian Canadian HandiCapable Association (ICHA), Windsor and District, is a non-profit organization dedicated to enhancing the lives of individuals with a physical or intellectual disability by providing recreational and social activities.

This organization was granted charitable non-profit status on July 22, 1987. The roots of the ICHA were established in 1977 when Peter Novelletto ran onto the soccer field to replace his injured brother. Unfortunately, Peter was escorted off the field because he had an intellectual disability. Crushed by the tears of his son, Egidio Novelletto began a soccer program for the developmentally challenged individuals at Glengarda. Today, the ICHA is one of the largest organizations of its kind in Ontario, Canada.

Our programs are designed to help foster friendships, sportsmanship and opportunities for persons with disabilities in their community. Interested in becoming a member?

The ICHA has established a fund to provide bursaries for individuals with a physical or intellectual disability attending the University of Windsor or St. Clair College. A bursary is also available to qualified ICHA volunteers entering College or University.

For more information contact Dale Notwell at (519) 977-1209.
